For God is the King of all the earth: sing ye prai - ses with un - der - stan - ding.

"Alleluja" as above.

This is the English version of my motet "Ascendit Deus". The text is Psalm 47, 6–8. For the English text underlay, I have used the translation of the King James Bible, because it is in the public domain. To fit the text better to the music, I have changed the first line from "God is gone up with a shout" to "God is gone up with jubilation", which also better corresponds to the Latin text ("in jubilatione"). See the website given below for the Latin version and a German version.
